LEASE OF RAILROAD EQUIPMENT dated as of May 15, 1978, between DOW CHEMICAL COMPANY, a Delaware corporation (hereinafter called the Lessee), and THE CONNECTICUT BANK AND TRUST COMPANY, a Connecticut banking corporation, not individually but solely in its capacity as Trustee (hereinafter called the Lessor) under a Trust Agreement dated as of the date hereof (hereinafter called the Trust Agreement), with SECURITY PACIFIC EQUIPMENT LEASING, INC. (hereinafter called the Beneficiary).

WHEREAS the Lessor is entering into a conditional sale agreement dated as of the date hereof with GENERAL AMERICAN TRANSPORTATION CORPORATION, a New York corporation, and RICHMOND TANK CAR COMPANY, a Delaware corporation (hereinafter called the Builders) (such agreement being hereinafter called the Security Documentation), wherein the Builders have agreed to manufacture, sell and deliver to the Lessor the units of railroad equipment described in Schedule A hereto (hereinafter called the Equipment);

WHEREAS the Builders are assigning their respective interests in the Security Documentation to MERCANTILE-SAFE DEPOSIT BANK AND TRUST COMPANY, a Maryland banking corporation, acting as agent (hereinafter together with its successors and assigns called the Vendor) under a Participation Agreement dated as of the date hereof (hereinafter called the Participation Agreement) with the Lessee, the Lessor, the Beneficiary and the parties named in Schedule A thereto;

WHEREAS the Lessee desires to lease such number of units of the Equipment as are delivered and accepted and settled for under the Security Documentation (hereinafter called the Units) at the rentals and for the terms and upon the conditions hereinafter provided; and

WHEREAS the Lessor will assign this Lease for security to the Vendor pursuant to an Assignment of Lease and Agreement (hereinafter called the Lease Assignment) and the Lessee will consent to the Lease Assignment pursuant to a Lessee's Consent and Agreement (hereinafter called the Consent);

NOW, THEREFORE, in consideration of the premises

and of the rentals to be paid and the covenants hereinafter mentioned to be kept and performed by the Lessee, the Lessor hereby leases the Units to the Lessee upon the following terms and conditions:

§ 1. Net Lease. This Lease is a net lease, and the Lessee shall not be entitled to any abatement of rent, reduction thereof or setoff against rent, including, but not limited to, abatements, reductions or setoffs due or alleged to be due by reason of any past, present or future claims of the Lessee against the Lessor under this Lease or under the Security Documentation, or against either Builder or the Vendor or otherwise; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or damage to or loss of possession or loss of use or destruction of all or any of the Units from whatsoever cause, any liens, encumbrances or rights of others with respect to any of the Units, the prohibition of or other restriction against the Lessee's use of all or any of the Units, the interference with such use by any person or entity, the invalidity or unenforceability or lack of due authorization of this Lease, any insolvency of or any bankruptcy, reorganization or similar proceeding against the Lessee, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease. To the extent permitted by applicable law, the Lessee hereby waives any and all rights which it may now have or which at any time hereafter may be conferred upon it, by statute or otherwise, to terminate, cancel, quit or surrender the lease of any of the Units except in accordance with the express terms hereof. Each rental or other payment made by the Lessee hereunder shall be final, and the Lessee shall not seek to recover all or any part of such payment from the Lessor for any reason whatsoever.

§ 2. Delivery and Acceptance of Units. The Lessor hereby appoints the Lessee its agent for inspection and acceptance of the Units pursuant to the Security Documentation. The Lessor will cause each Unit to be delivered to the

Lessee at the point or points within the United States of America at which such Unit is delivered to the Lessor under the Security Documentation. Upon such delivery, the Lessee will cause an employee of the Lessee to inspect the same, and if such Unit is found to be acceptable, to accept delivery of such Unit, and the Lessee shall execute and deliver to the Lessor a certificate of acceptance (hereinafter called the Certificate of Acceptance), in accordance with the provisions of Article 3 of the Security Documentation, stating that such Unit has been inspected and accepted on behalf of the Lessee and the Lessor on the date of such Certificate of Acceptance and is marked in accordance with § 5 hereof, whereupon, except as provided in the next sentence hereof, such Unit shall be deemed to have been delivered to and accepted by the Lessee and shall be subject thereafter to all the terms and conditions of this Lease. The delivery, inspection and acceptance hereunder of any unit of Equipment excluded from the Security Documentation pursuant to the first paragraph of Article 4 thereof shall be null and void and ineffective to subject such unit to this Lease. The inspection and acceptance by the Lessee of any Unit shall not in any way release any rights which the Lessee may have against the Builder thereof under any warranty relating to such Unit.

§ 3. Rentals. The Lessee agrees to pay to the Lessor, as rental for each Unit subject to this Lease, one interim rental payment on January 3, 1979, and 40 consecutive semiannual payments payable on January 3 and July 3 of each year, commencing on July 3, 1979, to and including January 3, 1999. The interim rental payable on January 3, 1979, shall be in an amount equal to .024653% of the Purchase Price (as defined in the Security Documentation) of each Unit then subject to this Lease from the date of acceptance hereunder for each actual day elapsed to, but not including January 3, 1979. The 40 semiannual rental payments shall be each in an amount equal to 3.931965% of the purchase price of each Unit. In addition, as additional rental hereunder, the Lessee agrees to pay to the Lessor on the Cut-Off Date (as defined in the Participation Agreement) and on January 3, 1979, an amount equal to the amount required to be paid by the Lessor on each such date pursuant to the first and last paragraphs of Paragraph 9 of the Participation Agreement.

If any of the rental payment dates referred to above is not a business day the semiannual rental payment otherwise payable on such date shall be payable on the next succeeding business day. The term "business day" as used herein means a calendar day, excluding Saturdays, Sundays and

any other day on which banking institutions in Baltimore, Maryland, Hartford, Connecticut, or New York, New York, are authorized or obligated to remain closed.

The Lessor irrevocably instructs the Lessee to make all the payments provided for in this Lease, including, but not limited to, the payments provided for in this § 3 and in § 7 hereof, at the principal office of the Vendor, for the account of the Lessor in care of the Vendor, with instructions to the Vendor first, to apply such payments to satisfy the obligations of the Lessor under the Security Documentation, and second, so long as no event of default or event which with the lapse of time and/or demand provided for in the Security Documentation could constitute an event of default under the Security Documentation shall have occurred and be continuing, to pay any balance promptly to the Lessor at such place as the Lessor shall specify in writing; provided that any indemnity payable the Lessor in its individual capacity or to the Beneficiary pursuant to § 9 hereof and taxes and indemnities payable or reimbursed to the Beneficiary under § 6 hereof shall be paid by check of the Lessee directly to the party to receive the same. The Lessee agrees to make each payment provided for herein as contemplated by this paragraph in immediately available funds to the Vendor by 11:00 a.m., Baltimore time, on the date such payment is due.

All amounts earned in respect of the Units (including, without limitation, mileage charges) during the term of this Lease shall belong to the Lessee and, if received by the Lessor, shall be promptly turned over to the Lessee so long as no Default exists hereunder.

§ 4. Term of Lease. The term of this Lease as to each Unit shall begin on the date of delivery and acceptance of such Unit hereunder and, subject to the provisions of §§ 7, 10 and 13 hereof, shall terminate on the date on which the final payment of rent in respect thereof is due pursuant to § 3 hereof. The obligations of the Lessee hereunder (including, but not limited to, the obligations under §§ 6, 7, 9 and 14 hereof) shall survive the expiration of the term of this Lease.

Notwithstanding anything to the contrary contained herein, all rights and obligations of the Lessee under this Lease and in and to the Units are subject to the rights of the Vendor under the Security Documentation. If an event

of default should occur under the Security Documentation, the Vendor may terminate this Lease or rescind its terms, all as provided therein; provided, however, that, so long as (i) no Event of Default exists hereunder, (ii) the Lessee is complying with the provisions of the Consent and (iii) the Vendor is entitled to apply the Payments (as defined in the Lease Assignment) in accordance with the Lease Assignment, this Lease may not be terminated and the Lessee shall be entitled to the rights of possession, use and assignment under § 12 hereof.

§ 5. Identification Marks. The Lessee will cause each Unit to be kept numbered with the road number set forth in Schedule A hereto, or in the case of any Unit not there listed, such road number as shall be set forth in any amendment or supplement hereto extending this Lease to cover such Unit, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of each Unit, in letters not less than one-half inch in height, the words "Ownership subject to a Security Agreement Filed under the Interstate Commerce Act, Section 20c" or other appropriate words designated by the Vendor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the Lessor's and Vendor's title to and interest in such Unit and the rights of the Lessor under this Lease and of the rights of the Vendor under the Security Documentation. The Lessee will not place any such Unit in operation or exercise any control or dominion over the same until such words shall have been so marked and will replace promptly any such markings which may be removed, obliterated, defaced or destroyed. The Lessee will not change the road number of any Unit unless and until (i) a statement of new number or numbers to be substituted therefor shall have been filed with the Vendor and the Lessor and duly filed, recorded and deposited by the Lessee in all public offices where this Lease and the Security Documentation shall have been filed, recorded and deposited and (ii) the Lessee shall have furnished the Vendor and the Lessor an opinion of counsel to such effect. The Units may be lettered with the names or initials or other insignia customarily used by the Lessee or its affiliates or any permitted sublessee.

Except as provided in the immediately preceding paragraph, the Lessee will not allow the name of any person, association or corporation to be placed on any Unit as a designation that might be interpreted as a claim of ownership.

§ 6. Taxes. All payments to be made by the

Lessee hereunder will be free of expense to the Lessor and the Beneficiary for collection or other charges and will be free of expense to the Lessor and the Beneficiary with respect to the amount of any local, state, federal or foreign taxes (other than any United States federal income tax payable by the Beneficiary in consequence of the receipt of payments provided for herein and other than the aggregate of all state or local taxes measured by net income based on such receipts, except any such tax which is in substitution for or relieves the Lessee from the payment of taxes which it would otherwise be obligated to pay or reimburse as herein provided) or license fees, assessments, charges, fines or penalties (all such expenses, taxes, license fees, assessments, charges, fines and penalties being hereinafter called impositions) hereafter levied or imposed upon or in connection with or measured by this Lease or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof or the Security Documentation, all of which impositions the Lessee assumes and agrees to pay before they become delinquent in addition to the payments to be made by it provided for herein. The Lessee will also pay before they become delinquent all impositions which may be imposed upon any Unit or for the use or operation thereof (except as provided above) or upon the earnings arising therefrom (except as provided above) or upon the Lessor solely by reason of its ownership thereof or on the Beneficiary solely by reason of its interest therein and will keep at all times all and every part of such Unit free and clear of all impositions which might in any way affect the title of the Lessor or the interest of the Beneficiary or result in a lien upon any such Unit; provided, however, that the Lessee shall not be under any obligation to pay any impositions of any kind so long as it is contesting in good faith and by appropriate legal or administrative proceedings such impositions and the nonpayment thereof does not, in the reasonable opinion of the Lessor, adversely affect the title, property or rights of the Lessor or the Beneficiary hereunder or the Vendor under the Security Documentation. The Lessee agrees to give the Lessor and the Beneficiary notice of such contest within 30 days after institution thereof, and the Lessor agrees to provide such information as may be reasonably requested by the Lessee in furtherance of such contest. If any impositions shall have been charged or levied against the Lessor directly and paid by the Lessor, the Lessee shall reimburse the Lessor

on presentation of an invoice therefor; provided, however, that the Lessor shall have given the Lessee written notice of such imposition prior to such payment.

In the event that the Lessor shall become obligated to make any payment pursuant to Article 6 of the Security Documentation to any Builder or the Vendor or otherwise pursuant to any correlative provision of the Security Documentation or the Beneficiary shall become obligated to make payment to the Lessor pursuant to any similar provision with respect to taxes in the Trust Agreement not covered by the foregoing paragraph of this § 6, the Lessee shall pay such additional amounts (which shall also be deemed impositions hereunder) to the Lessor as will enable the Lessor or the Beneficiary to fulfill completely its obligations pursuant to said provision.

In the event any reports with regard to impositions are required to be made, the Lessee will, where permitted so to do under applicable rules or regulations, make and timely file such reports in such manner as to show the interest of the Lessor and the Vendor as shall be reasonably satisfactory to the Lessor and the Vendor or, where not so permitted, will notify the Lessor and the Vendor of such requirement and will prepare and deliver such reports to the Lessor and the Vendor within a reasonable time prior to the time such reports are to be filed in such manner as shall be satisfactory to the Lessor and the Vendor.

In the event that, during the continuance of this Lease, the Lessee becomes liable for the payment or reimbursement of any imposition, pursuant to this § 6, such liability shall continue, notwithstanding the expiration of this Lease, until all such impositions are paid or reimbursed by the Lessee.

To the extent the Lessee may be prohibited by law from performing in its own name the duties required by this § 6, the Lessor and the Beneficiary hereby authorize the Lessee to act in the Lessor's and/or the Beneficiary's own name and on the Lessor's and/or the Beneficiary's behalf to perform such duties; provided, however, that the Lessee shall indemnify and hold the Lessor and the Beneficiary harmless from and against any and all claims, costs, expenses, damages, losses and liabilities incurred in connection therewith as a result of, or incident to, any action by the Lessee pursuant to this authorization.

The Lessee shall, whenever reasonably requested by the Lessor, submit to the Lessor copies of returns, statements, reports, billings and remittances, or furnish other evidence satisfactory to the Lessor of the Lessee's performance of its duties under this § 6. The Lessee shall also furnish promptly upon request such data as the Lessor may reasonably require to permit the Lessor's or the Beneficiary's compliance with the requirements of taxing jurisdictions.

§ 7. Maintenance, Casualty Occurrences, Insurance and Termination. The Lessee agrees that, at its own cost and expense, it will maintain and keep each Unit which is subject to this Lease in good operating order, repair and condition.

In the event that any Unit shall be or become worn out, lost, stolen, destroyed, or irreparably damaged, from any cause whatsoever, returned to the Builder pursuant to the patent indemnity provisions of the Security Documentation, or taken or requisitioned by condemnation or otherwise resulting in loss of possession by the Lessee for a period of 90 consecutive days, except requisition for use by the United States Government (such occurrences being hereinafter called Casualty Occurrences), prior to the return of such Unit in the manner set forth in § 14 hereof, the Lessee shall promptly and fully notify the Lessor and the Vendor with respect thereto. On the rental payment date next succeeding such notice the Lessee shall pay to the Lessor an amount equal to the rental payment or payments in respect of such Unit due and payable on such date plus a sum equal to the Casualty Value (as hereinafter defined) of such Unit as of the date of such payment in accordance with the schedule referred to below. Upon the making of such payment by the Lessee in respect of any Unit, the rental for such Unit shall cease to accrue, the term of this Lease as to such Unit shall terminate and (except in the case of the loss, theft, complete destruction or return to the Builder of such Unit) the Lessor shall be entitled to recover possession of such Unit. The Lessor hereby appoints the Lessee its agent to dispose of any Unit suffering a Casualty Occurrence or any component thereof, at the best price obtainable under the circumstances on an "as is, where is" basis. Provided that the Lessee has previously paid the Casualty Value to the Lessor, the Lessee shall be entitled to the proceeds of such sale (after deduction of all selling costs) to the extent they do not exceed the Casualty Value of such Unit, and shall pay any excess to the Lessor. The Lessee shall be entitled to credit against the Casualty Value

payable in respect of any Unit returned to the Builder pursuant to the patent indemnity provisions of the Security Documentation in an amount equal to any payment made by the Builder to the Lessor in respect thereof under the Security Documentation.

The Casualty Value of each Unit as of the payment date on which payment is to be made as aforesaid shall be that percentage of the Purchase Price of such Unit as is set forth in the Schedule in item 1 of Schedule B hereto opposite such date.

Whenever any Unit shall suffer a Casualty Occurrence after termination of this Lease and before such Unit shall have been returned in the manner provided in § 14 hereof, the Lessee shall promptly and fully notify the Lessor with respect thereto and pay to the Lessor an amount equal to the Casualty Value of such Unit, which shall be an amount equal to 41.879% of the Purchase Price of such Unit. Upon the making of any such payment by the Lessee in respect of any Unit (except in the case of the loss, theft or complete destruction of such Unit), the Lessor shall be entitled to recover possession of such Unit. The Lessor hereby appoints the Lessee its agent to dispose of any Unit suffering a Casualty Occurrence or any component thereof, at the best price obtainable under the circumstances on an "as is, where is" basis. Provided that the Lessee has previously paid the Casualty Value to the Lessor, the Lessee shall be entitled to the proceeds of such sale (after deduction of all selling costs) to the extent they do not exceed the Casualty Value of such Unit, and shall pay any excess to the Lessor.

In the event of the requisition for use by the United States Government (hereinafter called the Government) of any Unit during the term of this Lease or any renewal thereof all of the Lessee's obligations under this Lease with respect to such Unit shall continue to the same extent as if such requisition had not occurred, except that if such Unit is returned by the Government at any time after the end of the term of this Lease or any renewal thereof, the Lessee shall be obligated to return such Unit to the Lessor pursuant to § 11 or 14 hereof, as the case may be, promptly upon such return by the Government rather than at the end of the term of this Lease or any renewal thereof, but the Lessee shall in all other respects comply with the provisions of said § 11 or 14, as the case may be, with respect to such Unit. All payments received by the Lessor

or the Lessee from the Government for the use of such Unit during the term of this Lease or any renewal thereof shall be paid over to, or retained by, the Lessee provided no Event of Default (or other event which after notice or lapse of time or both would become an Event of Default) shall have occurred and be continuing; and all payments received by the Lessor or the Lessee from the Government for the use of such Unit after the term of this Lease or any renewal thereof, shall be paid over to, or retained by, the Lessor.

Except as hereinabove in this § 7 provided, the Lessee shall not be released from its obligations hereunder in the event of, and shall bear the risk of, any Casualty Occurrence to any Unit from and after delivery and acceptance thereof by the Lessee hereunder.

The Lessee shall, at its sole expense, obtain and maintain in full force and effect from the time any Unit is accepted by the Lessee and throughout the term of this Lease, insurance on each Unit from time to time subject hereto, with such insurers, covering such risks and for such insured values as the Lessor or the Vendor may reasonably require (i) in order to replace the Equipment in the event of an actual or constructive loss, including, but not limited to, insurance against the loss of, or damage to the Equipment as well as (ii) public liability and property damage insurance covering liability for personal injuries, death or property damage resulting from the ownership, maintenance, use or operation of the Equipment, in any manner whatsoever. All insurance policies required hereby shall, without limitation of the foregoing, (i) contain a "breach of warranty" clause whereby the insurer agrees that a breach of the insuring conditions or any negligence by the Lessee, or by any party whose right to use or operate the Equipment is derived through the Lessee, shall not invalidate the insurance as to the Lessor and the Vendor; and (ii) provide that the policy may not be cancelled or materially altered without thirty (30) days' prior written notice to the Lessor and the Vendor. The Lessee shall furnish to the Lessor prior to the acceptance date of any Unit and throughout the term of the Lease evidence of insurance satisfactory to the Lessor and the Vendor showing the existence of the insurance required hereunder.

In the event of failure on the part of the Lessee to provide and furnish any of the aforesaid insurance, the Lessor or the Vendor, upon notice to the Lessee, may, but shall not be obligated to, procure such insurance and the Lessee shall, upon demand, reimburse the Lessor and the

Vendor for all expenditures made by the Lessor or the Vendor for such insurance, together with interest thereon computed at the maximum rate of interest permitted by law, but no more than 10-7/8% per annum, from the date of the Vendor's or the Assignee's payment until reimbursed by the Lessee.

If the Lessor shall receive any insurance proceeds from insurance maintained by the Lessee pursuant hereto or condemnation payments in respect of a Unit suffering a Casualty Occurrence, the Lessor shall, subject to the Lessee having made payment of the Casualty Value in respect of such Unit, pay such proceeds or condemnation payments to the Lessee up to an amount equal to the Casualty Value paid by the Lessee, and any balance of such proceeds or condemnation payments shall remain the property of the Lessor. All insurance proceeds received by the Lessor in respect of any Unit not suffering a Casualty Occurrence shall be paid to the Lessee upon proof satisfactory to the Lessor that any damage to such Unit in respect of which such proceeds were paid has been fully repaired.

In the event that the Lessee shall, in its reasonable judgment, determine that any Group (as hereinafter defined) of Units has become economically obsolete in the Lessee's business, the Lessee shall have the right, at its option and on at least 180 days' prior written notice to the Lessor, to terminate (hereinafter called a "Termination") this Lease as to such Group as of any succeeding rent payment date specified in such notice (the termination date specified in such notice being hereinafter called the "Termination Date"); provided, however, that (i) the Termination Date shall not be earlier than January 3, 1986, (ii) no Event of Default or other event which after the lapse of time or notice or both would become an Event of Default shall have occurred and be continuing and (iii) on the Termination Date each Unit in such Group shall be in the same condition as if being redelivered pursuant to § 14 hereof. For this purpose, the term "Group of Units" shall mean (i) in the case of General Service Units, 25 Units (or such lesser number as shall be subject to this Lease at the Termination Date) and (ii) in respect of special purpose units (TDI, Propylene Oxide or Calcium Chloride) all the Units in any such Group subject to this Lease at the Termination Date.

During the period from the 90th day after the giving of such notice until the fifth business day preceding the Termination Date, the Lessee shall use its best efforts to obtain bids for the purchase of all Units in such Group, and the Lessee shall at least five business days prior to such

Termination Date certify to the Lessor the amount of each such bid and the name and address of the party (which shall not be a corporation or individual affiliated with the Lessee or any party from whom the Lessee or any such affiliate intends thereafter to lease such Unit) submitting such bid. On the Termination Date the Lessor shall sell all Units in such Group for cash to the bidder who shall have submitted the highest bid prior to the Termination Date. The total sale price realized at each such sale shall be retained by the Lessor.

On such Termination Date, the Lessee shall pay to the Lessor (i) an amount equal to the prepayment penalty premium, if any, payable pursuant to Article 7 of the Security Documentation on such date in respect of the Conditional Sale Indebtedness to be prepaid by the Lessor on such date, (ii) the excess, if any, of the Termination Value for each such Unit computed as of such date over the sale price of such Unit after the deduction of all expenses incurred by the Lessor in connection with such sale and (iii) the rental payment due on such Termination Date. The Termination Value of each such Unit as of the payment date on which payment is to be made shall be that percentage of the Purchase Price of such Unit as is set forth in Schedule C hereto opposite such date. In no event shall the aggregate amount retained by the Lessor and received by the Lessor as aforesaid be less than the Termination Value (as defined in the Security Documentation) as of such date.

If no sale shall occur on the date scheduled therefor as provided above, this Lease shall continue in full force and effect without change unless and until the Lessee pays the Lessor an amount equal to the Termination Value and returns any unsold Unit to the Lessor pursuant to § 14 hereof.

In the event of any such sale and the receipt by the Lessor of the amounts above described, the obligation of the Lessee to pay rent pursuant to § 3 hereof in respect of such Unit on each rental payment date shall continue to and including the Termination Date but shall then terminate. The Lessor shall be under no duty to solicit bids, to inquire into the efforts of the Lessee to obtain bids or otherwise to take any action or incur any cost or expense in connection with any sale other than to transfer or to cause to be transferred all of the Lessor's right, title and interest in and to such Unit to the purchaser named in the highest bid certified by the Lessee to the Lessor as above provided. Any

such sale shall be free and clear of all of the Lessee's rights to such Unit, but otherwise shall be made without warranties other than against the Lessor's acts.

If the Lessee shall exercise its option to terminate, the Lessor may, notwithstanding such election by the Lessee, by written notice to the Lessee given 90 days after the termination notice is given to the Lessor, elect to retain such Unit, in which case the Lessee shall not be obligated to pay the Termination Value to the Lessor. In the event the Lessor shall so elect to retain such Unit, the Lessee shall deliver such Unit to the Lessor in accordance with the provisions of § 14 hereof.

§ 8. Reports. On or before April 30 in each year, commencing with the calendar year 1979, the Lessee will furnish to the Lessor and the Vendor an accurate statement (a) setting forth as at the preceding December 31 the amount, description and numbers of all Units then leased hereunder and covered by the Security Documentation, the amount, description and numbers of all Units that have suffered a Casualty Occurrence during the preceding calendar year or are then undergoing repairs (other than running repairs) or then withdrawn from use pending such repairs (other than running repairs) and such other information regarding the condition and state of repair of the Units as the Lessor or the Vendor may reasonably request and (b) stating that, in the case of all Units repainted or repaired during the period covered by such statement, the numbers and markings required by § 5 hereof and by the Security Documentation have been preserved or replaced. The Lessor, at its sole cost and expense, shall have the right by its agents, to inspect the Units and the Lessee's records with respect thereto at such reasonable times as the Lessor may request during the continuance of this Lease.

§ 9. Disclaimer of Warranties; Compliance with Laws and Rules; Indemnification. THE LESSOR MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE DESIGN OR CONDITION OF, OR AS TO THE QUALITY OF THE MATERIAL, EQUIPMENT OR WORKMANSHIP IN, THE UNITS DELIVERED TO THE LESSEE HEREUNDER, AND THE LESSOR MAKES NO WARRANTY OF MERCHANTABILITY OR FITNESS OF THE UNITS FOR ANY PARTICULAR PURPOSE OR AS TO TITLE TO THE UNITS OR ANY COMPONENT THEREOF, OR ANY OTHER REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO ANY UNIT, EITHER UPON DELIVERY THEREOF TO THE LESSEE OR OTHERWISE, it being agreed that all such risks,

as between the Lessor and the Lessee, are to be borne by the Lessee; but the Lessor hereby irrevocably appoints and constitutes the Lessee its agent and attorney-in-fact during the term of this Lease to assert and enforce from time to time, in the name of and for the account of the Lessor and/or the Lessee, as their interests may appear, at the Lessee's sole cost and expense, whatever claims and rights the Lessor may have against the Builder under the provisions of Items 3 and 4 of Annex A of the Security Documentation; provided, however, that if at any time an Event of Default shall have occurred and be continuing, the Lessor may assert and enforce, at the Lessee's sole cost and expense, such claims and rights. The Lessor shall have no responsibility or liability to the Lessee or any other person with respect to any of the following: (i) any liability, loss or damage caused or alleged to be caused directly or indirectly by any Units or by any inadequacy thereof or deficiency or defect therein or by any other circumstances in connection therewith; (ii) the use, operation or performance of any Units or any risks relating thereto; (iii) any interruption of service, loss of business or anticipated profits or consequential damages; or (iv) the delivery, operation, servicing, maintenance, repair, improvement or replacement of any Units. The Lessee's delivery of a Certificate of Acceptance shall be conclusive evidence as between the Lessee and the Lessor that the Units described therein are in all the foregoing respects satisfactory to the Lessee, and the Lessee will not assert any claim of any nature whatsoever against the Lessor based on any of the foregoing matters.

The Lessee agrees, for the benefit of the Lessor and the Vendor, to comply in all respects (including without limitation, with respect to the use, maintenance and operation of each Unit) with all applicable laws of the jurisdictions in which its operations involving the Units may extend, with the interchange rules of the Association of American Railroads and with all lawful rules of the Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Units, to the extent that such laws and rules affect the title, operation or use of the Units, and in the event that, prior to the expiration of this Lease or any renewal hereof, such laws or rules require any alteration, replacement, addition or modification of or to any part on any Unit, the Lessee will conform therewith at its own expense, and title to any additions or improvements so made shall thereupon vest in

the Lessor; provided, however, that the Lessee may at its own expense upon written notice thereof to the Lessor, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Lessor or the Vendor, adversely affect the property or rights of the Lessor or the Vendor under this Lease or under the Security Documentation. The Lessee, at its own cost and expense, may furnish additions, modifications and improvements to the Units during the term of this Lease provided that such additions, modifications and improvements are readily removable without causing material damage to the Units. The additions, modifications and improvements made by the Lessee under the preceding sentence shall be owned by the Lessee, and shall be removed by the Lessee, at its expense, upon or prior to return of any Unit to the Lessor pursuant to § 11 or § 14 hereof, unless the Lessor otherwise agrees.

The Lessee agrees to indemnify, protect and hold harmless the Lessor (in both its individual and fiduciary capacities), the Beneficiary and the Vendor from and against all losses, damages, injuries, liabilities, (including, without limitation, strict liability in tort) claims and demands whatsoever, regardless of the cause thereof, and expenses in connection therewith, including, but not limited to, counsel fees and expenses, patent liabilities, penalties and interest, arising out of or as the result of the entering into or the performance of, or the occurrence of a default, an event of default or an Event of Default under, the Security Documentation, the Participation Agreement or this Lease, the ownership of any Unit, the ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any Unit or any accident in connection with the operation, use, condition, possession, storage or return of any Unit resulting in damage to property or injury or death to any person, except as otherwise provided in § 14 of this Lease or the transfer of title to the Equipment by the Vendor pursuant to any provision of the Security Documentation. The indemnities arising under this paragraph shall continue in full force and effect notwithstanding the full payment of all obligations under this Lease or the expiration or termination of the term of this Lease.

The indemnities contained in this § 9 shall not extend to any loss, damage, injury, liability, claim, demand, cost, charge, or expense incurred by any indemnified party

(a) caused by the wilful misconduct or gross negligence of such indemnified party, (b) resulting from acts or events with respect to any Unit which commence after such Unit has been returned to the Lessor in accordance with § 14 hereof, (c) caused by the violation by such indemnified party of any banking, investment, insurance or securities law, rule or regulation applicable to it (unless such violation shall be the result of any written misrepresentation, violation or act of the Lessee), (d) arising from the breach of an express duty, obligation, representation or warranty of such indemnified party made herein or in any of the documents related to the transactions contemplated hereby, or (e) which is related to the lien, charge, security interest or other encumbrance which the Lessee is not required by § 12 hereof or in any of the other documents related to the transactions contemplated hereby to be borne by such indemnified party.

Upon request by the Lessor, the Lessee will prepare and deliver to the Lessor within a reasonable time prior to the required date of filing (or, to the extent permissible, file on behalf of the Lessor) any and all reports (other than tax returns except as required by the provisions of § 6 hereof) to be filed by the Lessor with any federal, state or other regulatory authority by reason of the ownership by the Lessor or the Vendor of the Units or the leasing thereof to the Lessee.

§ 10. Default. If, during the continuance of this Lease, one or more of the following events (each such event being herein sometimes called an Event of Default) shall occur:

A. default shall be made in payment of any amount provided for in §§ 3, 7 or 13 hereof, and such default shall continue for 10 days;

B. the Lessee shall make or permit any unauthorized assignment or transfer of this Lease, or any interest herein, or of the right to possession of the Units, or any thereof;

C. default shall be made in the observance or performance of any other of the covenants, conditions and agreements on the part of the Lessee contained herein or

in the Participation Agreement, and such default shall continue for 30 days after written notice from the Lessor or the Vendor to the Lessee specifying the default and demanding that the same be remedied;

D. any representation or warranty made by the Lessee herein or in the Participation Agreement or in any certificate or statement furnished to the Owner Trustee or the Owner Participant pursuant to or in connection with any such agreements proves untrue in any material respect as of the date of issuance or making thereof;

E. any proceedings shall be commenced by or against the Lessee for any relief which includes, or might result in, any modification of the obligations of the Lessee hereunder, under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustments of the obligations of the Lessee hereunder) and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed (whether or not subject to ratification) for the Lessee or for its property in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such a trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier; or

F. an event of default set forth in Article 15 of the Security Documentation shall have occurred as a result of any default by the Lessee in performing any of its obligations hereunder or under the Consent;

then, in any such case, the Lessor, at its option, may:

(a) proceed by appropriate court action or actions either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof; or

(b) by notice in writing to the Lessee terminate this Lease, whereupon all rights of the Lessee to the use of the Units shall absolutely cease and terminate as though this Lease had never been made, but the Lessee shall remain liable as herein provided; and thereupon the Lessor may by its agents enter upon the premises of the Lessee or other premises where any of the Units may be and take possession of all or any of such Units and thenceforth hold, possess, sell, operate, lease to others and enjoy the same free from any right of the Lessee, or its successors or assigns, to use the Units for any purposes whatever and without any duty to account to the Lessee for such action or inaction or for any proceeds arising therefrom; but the Lessor shall, nevertheless, have a right to recover from the Lessee any and all amounts which under the terms of this Lease may be then due or which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by multiplying the rental for such full rental period by a fraction of which the numerator is such number of days and the denominator is the total number of days in such full rental period) and also to recover forthwith from the Lessee as damages for loss of a bargain and not as a penalty, whichever of the following amounts the Lessor, in its sole discretion, shall specify: (x) a sum, with respect to each Unit, equal to the excess of the present value, at the time of such termination, of the entire unpaid balance of all rental for such Unit which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Lease as to such Unit over the then present value of the rental which the Lessor reasonably estimates to be obtainable for the Unit during such period, such present value to be computed in each case on the basis of a 4.58% per annum discount, compounded semiannually from the respective dates upon which rentals would have been payable hereunder had this Lease not been terminated or (y) an amount equal to the excess, if any, of the Casualty Value as of the rental payment date on or next preceding the date of termination over the amount the Lessor reasonably estimates to be the sales value of such Unit at such time; provided, however, that in the event the Lessor shall have sold any Unit, the Lessor, in lieu of collecting any amounts payable to the Lessor by the Lessee pursuant to the preceding clauses (x) and (y) of this part (b) with respect to such Unit, may, if it shall so elect, demand that the

Lessee pay the Lessor and the Lessee shall pay to the Lessor on the date of such sale, as liquidated damages for loss of a bargain and not as a penalty, an amount equal to the excess, if any, of the Casualty Value for such Unit, as of the rental payment date on or next preceding the date of termination over the net proceeds of such sale.

In addition, the Lessee shall be liable, except as otherwise provided above, for any and all unpaid amounts due hereunder before, during or after the exercise of any of the foregoing remedies and for all reasonable attorneys' fees and other costs and expenses incurred by reason of the occurrence of any Event of Default or the exercise of the Lessor's remedies with respect thereto, including all costs and expenses incurred in connection with the return of any Unit.

The remedies in this Lease provided in favor of the Lessor shall not be deemed exclusive, but shall be cumulative and may be exercised concurrently or consecutively, and shall be in addition to all other remedies in its favor existing at law or in equity. The Lessee hereby waives any mandatory requirements of law, now or hereafter in effect, which might limit or modify the remedies herein provided, to the extent that such waiver is not, at the time in question, prohibited by law. The Lessee hereby waives any and all existing or future claims to any offset against the rental payments due hereunder, and agrees to make such payments regardless of any offset or claim which may be asserted by the Lessee or on its behalf.

The failure of the Lessor to exercise the rights granted it hereunder upon the occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies.

The Lessee agrees to furnish the Vendee, the Beneficiary and the Vendor, promptly upon any responsible officer becoming aware of any condition which constituted or constitutes an Event of Default under this Lease or which, after notice or lapse of time, or both, would constitute such an Event of Default, written notice specifying such condition and the nature and status thereof. For the purposes of this paragraph, a "responsible officer" shall mean, with respect to the subject matter of any covenant, agreement or obligation of the Lessee in this Lease contained, any corporate officer of the Lessee who, in the normal performance of his operational responsibilities, would have knowledge of such

matter and the requirements of this Lease with respect thereto.

§ 11. Return of Units upon Default. If this Lease shall terminate pursuant to § 10 hereof, the Lessee shall forthwith deliver possession of the Units to the Lessor. Each Unit so delivered shall be in the same operating order, repair and condition as when originally delivered to the Lessee, reasonable wear and tear excepted and meet the standards then in effect of the Interchange Rules of the Association of American Railroads and/or the applicable rules of any governmental agency or other organization with jurisdiction. For the purpose of delivering possession of any Unit or Units to the Lessor as above required, the Lessee shall at its own cost, expense and risk:

(a) forthwith and in the usual manner (including, but not by way of limitation, giving prompt telegraphic and written notice to the Association of American Railroads and all railroads to which any Unit or Units have been interchanged to return the Unit or Units so interchanged) place such Units upon such storage tracks of the Lessee or any of its affiliates or, at the expense of the Lessee, on any other storage tracks, as the Lessor reasonably may designate;

(b) permit the Lessor to store such Units on such tracks at the risk of the Lessee without charge for insurance, rent or storage until such Units have been sold, leased or otherwise disposed of by the Lessor; and

(c) transport the same to any place on any lines of railroad or to any connecting carrier for shipment, all as directed by the Lessor.

The assembling, delivery, storage, insurance and transporting of the Units as hereinbefore provided shall be at the expense and risk of the Lessee and are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. During any storage period, the Lessee will, at its own cost and expense, insure, maintain and keep the Equipment in good order and repair and will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser or lessee of any such Unit, to inspect the same. All amounts earned in respect of the Units after the date of

termination of this Lease shall belong to the Lessor and, if received by the Lessee, shall be promptly turned over to the Lessor. In the event any Unit is not assembled, delivered and stored, as hereinabove provided, within 60 days after such termination, the Lessee shall, in addition, pay to the Lessor for each day thereafter an amount equal to the amount, if any, by which .024653% of the Purchase Price of such Unit for each such day exceeds the actual earnings received by the Lessor on such Unit for each such day.

Without in any way limiting the obligation of the Lessee under the foregoing provisions of this § 11, the Lessee hereby irrevocably appoints the Lessor as the agent and attorney of the Lessee, with full power and authority, at any time while the Lessee is obligated to deliver possession of any Unit to the Lessor, to demand and take possession of such Unit in the name and on behalf of the Lessee from whomsoever shall be in possession of such Unit at the time.

§ 12. Assignment; Possession and Use. This Lease shall be assignable in whole or in part by the Lessor without the consent of the Lessee, but the Lessee shall be under no obligation to any assignee of the Lessor except upon written notice of such assignment from the Lessor. All the rights of the Lessor hereunder (including, but not limited to, the rights under §§ 6, 7, 9 and 10 and the rights to receive the rentals payable under this Lease) shall inure to the benefit of the Lessor's assigns including the Vendor, except as may be limited in any assignment thereof.

So long as the Lessee shall not be in default under this Lease and no event of default shall exist under the Security Documentation, the Lessee shall be entitled to the possession and use of the Units in accordance with the terms of this Lease but, without the prior written consent of the Lessor and the Vendor, the Lessee shall not assign or transfer its leasehold interest under this Lease in the Units or any of them except and then only so long as the Lessee shall not then be in default under this Lease (and subject to this Lease and to the rights of the Lessor hereunder, and without releasing the Lessee from its obligations hereunder), to an Affiliate, or under a written sublease to a railroad classified by the Interstate Commerce Commission as a Class I railroad or to a responsible company, as determined by the Lessee, subject in each case to the written consent of the

Lessor, which shall not be unreasonably withheld; and the Lessee shall not, without such written consent, except as provided in this § 12 part with the possession of, or suffer or allow to pass out of its possession or control, any of the Units. For the purpose of this § 12, "Affiliate" shall mean any corporation which, directly or indirectly, controls or is controlled by, or is under common control with, the Lessee. For the purposes of this definition, "control (including controlled by and under common control with)", as used with respect to any corporation, shall mean the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of such corporation, whether through the ownership of voting securities or by contract or otherwise. Every such sublease shall expressly subject the rights of the sublessee under such sublease to the rights of the Lessor in respect of the Units covered by such sublease in the event of the happening of an Event of Default. The Lessee, at its own expense, will promptly pay or discharge any and all sums claimed by any party which, if unpaid, might become a lien, charge, security interest or other encumbrance (other than an encumbrance created by the Lessor or the Vendor or resulting from claims against the Lessor or the Vendor not related to the ownership of the Units) upon or with respect to any Unit or the interest of the Lessor, the Vendor or the Lessee therein, and will promptly discharge any such lien, claim, security interest or other encumbrance which arises. The Lessee shall not, without the prior written consent of the Lessor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units, except to the extent permitted by the provisions of the immediately succeeding paragraph.

So long as the Lessee shall not be in default under this Lease, the Lessee shall be entitled to the possession of the Units and to the use of the Units by it or any Affiliate upon lines of railroad owned or operated by it or any such Affiliate or upon lines over which the Lessee or any such Affiliate has or obtains trackage or other operating rights or over which railroad equipment of the Lessee or any such Affiliate is regularly operated pursuant to contract, and also to permit the use of the Units upon connecting and other carriers in the usual interchange of traffic or pursuant to run-through agreements, but only upon and subject to all the terms and conditions of this Lease; provided, however, that the Lessee shall not assign or permit the assignment of any Unit to service involving the regular operation

and maintenance thereof outside the United States of America. The Lessee may receive and retain compensation for such use from other railroads so using any of the Units.

Nothing in this § 12 shall be deemed to restrict the right of the Lessee to assign or transfer its leasehold interest under this Lease in the Units or possession of the Units to any railroad corporation incorporated under the laws of any state of the United States of America or the District of Columbia (which shall have duly assumed the obligations of the Lessee hereunder and under the Participation Agreement and the Consent (as defined in the Security Documentation)) into or with which the Lessee shall have become merged or consolidated or which shall have acquired the property of the Lessee as an entirety or substantially as an entirety, provided that such assignee or transferee will not, upon the effectiveness of such merger, consolidation or acquisition, be in default under any provision of this Lease.

§ 13. Renewal Option. Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, the Lessee may by written notice delivered to the Lessor not less than six months nor more than twelve months prior to the end of the original term elect to extend the term of this Lease in respect of all (but not fewer than all) the Units in any Group of Units (as defined in § 7 hereof) then covered by this Lease, for one additional six-year period commencing on the scheduled expiration of the original term at a "Fair Market Rental" payable in semiannual payments on each semiannual anniversary of the original term.

Fair Market Rental shall be determined on the basis of, and shall be equal in amount to, the rental which would obtain in an arm's-length transaction between an informed and willing lessee (other than a lessee currently in possession) and an informed and willing lessor under no compulsion to lease and, in such determination, costs of removal from the location of current use shall not be a deduction from such rental. If, after 40 days from the giving of notice by the Lessee of the Lessee's election to extend the term of this Lease, the Lessor and the Lessee are unable to agree upon a determination of the Fair Market Rental of the Units, such rental shall be determined in accordance with the foregoing definition by the following procedure: If either party to such determination shall have given written notice to the other requesting determination of such value by

this appraisal procedure, the parties shall consult for the purpose of appointing a qualified independent appraiser by mutual agreement. If no such appraiser is so appointed within 20 business days after such notice is given, each party shall appoint an independent appraiser within 25 business days after such notice is given, and the two appraisers so appointed shall within 35 business days after such notice is given appoint a third independent appraiser. If no such third appraiser is appointed within 35 business days after such notice is given, either party may apply, to make such appointment, to the American Arbitration Association, and both parties shall be bound by any appointment so made. Any appraiser or appraisers appointed pursuant to the foregoing procedure shall be instructed to determine the Fair Market Rental of the Units subject to the proposed extended term within 30 days after his or their appointment. If the parties shall have appointed a single appraiser or if either party shall have failed to appoint an appraiser, the determination of Fair Market Rental of the single appraiser appointed shall be final. If three appraisers shall be appointed, the determination of the appraiser which differs most from the other two appraisers shall be excluded, the remaining two determinations shall be averaged and such latter average shall be final and binding upon the parties hereto as the Fair Market Rental. The appraisal proceedings shall be conducted in accordance with the Commercial Arbitration Rules of the American Arbitration Association as in effect on the date hereof, except as modified hereby. The provision for this appraisal procedure shall be the exclusive means of determining Fair Market Rental and shall be in lieu of any judicial or other procedure for the determination thereof, and each party hereto hereby consents and agrees not to assert any judicial or other procedures. The expenses of the appraisal procedure shall be borne equally by the Lessee and the Lessor.

§ 14. Return of Units upon Expiration of Term.

As soon as practicable but not longer than 60 days after the expiration of the original or extended term of this Lease, the Lessee will, at its own cost and expense, at the request of the Lessor, deliver possession of each Unit to the Lessor upon such storage tracks of the Lessee (at not more than three locations) as the Lessee may designate and permit the Lessor to store such Unit on such tracks for a period not exceeding three-months and transport the same, at any time within such three-month period, to the nearest railroad interconnection, all as directed by the

Lessor, the movement and storage of such Units to be at the expense and risk of the Lessee. During any such storage period the Lessee will, at its own cost and expense, insure, maintain and keep each Unit in good order and repair and will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser, lessee or user of such Unit, to inspect the same; provided, however, that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, lessee or user, the rights of inspection granted under this sentence. Each Unit returned to the Lessor pursuant to this § 14 shall (i) be in the same operating order, repair and condition as when originally delivered to the Lessee, reasonable wear and tear excepted, and (ii) meet the standards in effect upon the expiration of this Lease under the Interchange Rules of the Association of American Railroads and/or the applicable rules of any governmental agency or other organization with jurisdiction. The assembling, delivery, storage and transporting of the Units as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. All amounts earned in respect of the Units after the date of termination of this Lease shall belong to the Lessor and, if received by the Lessee, shall be promptly turned over to the Lessor.

§ 15. Recording. The Lessee, at its own expense, will cause this Lease, the Security Documentation and any assignment hereof or thereof to be filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act. The Lessee will undertake the filing, registering, deposit, and recording required of the Lessor under the Security Documentation and will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, record (and will refile, reregister, deposit and redeposit or rerecord whenever required) any and all further instruments required by law or reasonably requested by the Lessor or the Vendor for the purpose of proper protection, to their satisfaction, of the Vendor's and the Lessor's respective interests in the Units, or for the purpose of carrying out the intention of this Lease, the Security Documentation and the assignment thereof to the Vendor; and the Lessee will promptly furnish to the Vendor

and the Lessor evidence of all such filing, registering, depositing or recording, and an opinion or opinions of counsel for the Lessee with respect thereto satisfactory to the Vendor and the Lessor. This Lease and the Security Documentation shall be filed and recorded with the Interstate Commerce Commission prior to the delivery and acceptance hereunder of any Unit.

§ 16. Interest on Overdue Rentals. Anything to the contrary herein contained notwithstanding, any nonpayment of rentals and other obligations due hereunder shall result in the obligation on the part of the Lessee promptly to pay, to the extent legally enforceable, an amount equal to the greater of (a) 10-7/8% per annum or (b)(i) 2-1/2% above the rate per annum equal to the fluctuating base rate charged by The Security Pacific Bank for 90-day loans to substantial and responsible commercial borrowers as such base rate shall change from time to time, each change in such rate to become effective on the effective date of each change in such base rate as announced by such Bank, on the overdue rentals and other obligations for the period of time during which they are overdue or such lesser amount as may be legally enforceable.

§ 17. Notices. Any notice required or permitted to be given by either party hereto to the other shall be deemed to have been given when mailed, first class, postage prepaid, addressed as follows:

(a) if to the Lessor, at One Constitution Plaza, Hartford, Connecticut 06115, Attention of Corporate Trust Department, with a copy to the Beneficiary and to GATX Leasing Corporation at such addresses as they shall have furnished for such purpose;

(b) if to the Lessee, at 2020 Dow Center, Midland, Michigan 48640, Attention of Treasury Department;

or addressed to either party at such other address as such party shall hereafter furnish to the other party in writing. Copies of each such notice shall be given to the Vendor at Two Hopkins Plaza, P. O. Box 2258, Baltimore Maryland 21203, Attention of Corporate Trust Department.

§ 18. Severability; Effect and Modification of Lease. Any provision of this Lease which is prohibited or unenforceable in any jurisdiction, shall be, as to such jur-

isdiction, ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Except for the Participation Agreement, this Lease exclusively and completely states the rights and obligations of the Lessor and the Lessee with respect to the leasing of the Units and supersedes all other agreements, oral or written, with respect thereto. No variation or modification of this Lease and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized signatories for the Lessor and the Lessee.

§ 19. Execution. This Lease may be executed in several counterparts, such counterparts together constituting but one and the same instrument, but the counterpart delivered to the Vendor pursuant to the Assignment hereof to the Vendor shall be deemed to be the original, and all other counterparts shall be deemed duplicates thereof. Although for convenience this Lease is dated as of the date first set forth above, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

§ 20. Law Governing. The terms of this Lease and all rights and obligations hereunder shall be governed by the laws of the State of Michigan; provided, however, that the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act.

§ 21. No Guaranty of Conditional Sale Indebtedness or Residual Value. Nothing in this Agreement is intended or shall be construed to constitute a guarantee by the Lessee of the Conditional Sale Indebtedness of the Vendee under the Security Documentation or a guarantee of the residual value of any Unit.

§ 22. Immunities; No Recourse. It is expressly understood and agreed by and between the parties hereto, anything herein to the contrary notwithstanding, that each and all of the representations, warranties, undertakings and agreements herein made on the part of the Lessor, are made and intended not as personal representations, warranties, undertakings and agreements by the Lessor, or for the purpose or with the intention of binding the Lessor person-

ally but are made and intended for the purpose of binding only the Trust Estate as such term is used in the Trust Agreement and this Lease is executed and delivered by the Lessor not in its own right but solely in the exercise of the powers expressly conferred upon it as trustee under the Trust Agreement; and except in the case of gross negligence or wilful misconduct, no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against the Lessor or the Beneficiary on account of this Lease or on account of any representation, warranty, undertaking or agreement of the Lessor or the Beneficiary, either expressed or implied, all such personal liability, if any, being expressly waived and released by the Lessee, the Vendor and by all persons claiming by, through or under either of them.

IN WITNESS WHEREOF, the parties hereto have executed or caused this instrument to be executed as of the date first above written.
